Financial regulations are one of the Council's three governing policy documents providing procedural guidance for members and officers. Financial regulations must be observed in conjunction with the Council's standing orders and any individual financial regulations relating to contracts.

1.2. The Council is responsible in law for ensuring that its financial management is adequate and effective and that the Council has a sound system of internal control which facilitates the effective exercise of the Council's functions, including arrangements for the management of risk.

1.3. The Council's accounting control systems must include measures:

- for the timely production of accounts;
- that provide for the safe and efficient safeguarding of public money;

1.4. These financial regulations demonstrate how the Council meets these responsibilities and requirements.

1.5. At least once a year, prior to approving the Annual Governance Statement, the Council must review the effectiveness of its system of internal control which shall be in accordance with proper practices.

1.6. Deliberate or wilful breach of these Regulations by an employee may give rise to disciplinary proceedings.

1.7. Members of Council are expected to follow the instructions within these Regulations and not to entice employees to breach them. Failure to follow instructions within these Regulations brings the office of Councillor into disrepute.

1.8. The Responsible Financial Officer (RFO) holds a statutory office. The Clerk has been appointed as RFO for this Council and these regulations will apply accordingly.

1.9. The RFO:

- assists the Council to secure economy, efficiency and effectiveness in the use of its resources; and
- produces financial management information as required by the Council.

1.10. The accounting records determined by the RFO shall be sufficient to show and explain the Council's transactions and to enable the RFO to ensure that any income and expenditure account and statement of balances, or record of receipts and payments and additional information, as the case may be, or management information prepared for the Council from time to time comply with the Accounts and Audit Regulations.

1.11. The accounting records determined by the RFO shall in particular contain:

- entries from day to day of all sums of money received and expended by the Council and the matters to which the income and expenditure or receipts and payments account relate;
- a record of the assets and liabilities of the Council; and
- wherever relevant, a record of the Council's income and expenditure in relation to claims made, or to be made, for any contribution, grant or subsidy.

1.12. The accounting control systems determined by the RFO shall include:

- procedures to ensure that the financial transactions of the Council are recorded as soon as reasonably practicable and as accurately and reasonably as possible;
- procedures to enable the prevention and detection of inaccuracies and fraud and the ability to reconstruct any lost records;
- identification of the duties of officers dealing with financial transactions and division of responsibilities of those officers in relation to significant transactions;
- procedures to ensure that uncollectable amounts, including any bad debts are not submitted to the Council for approval to be written off except with the approval of the RFO and that the approvals are shown in the accounting records; and
- measures to ensure that risk is properly managed.

1.13. The Council is not empowered by these Regulations or otherwise to delegate certain specified decisions. In particular any decision regarding:

- setting the final budget or the precept (council tax requirement);
- approving accounting statements;

- borrowing;

In these financial regulations the term 'proper practice' or 'proper practices' shall refer to guidance issued in *Governance and Accountability for Local Councils - a Practitioners' Guide (England)* issued by the Joint Practitioners Advisory Group (JPAG), available from NALC.

2. Accounting and audit (internal and external)

2.1. All accounting procedures and financial records of the Council shall be determined by the RFO in accordance with the Accounts and Audit Regulations, appropriate guidance and proper practices.

2.2. On a regular basis, at least once in each quarter, and at each financial year end, a member other than the Chairman shall be appointed to verify bank reconciliations (for all accounts) produced by the RFO. The member shall sign the reconciliations and the original bank

2.3. The RFO shall complete the annual statement of accounts, annual report, and any related documents of the Council contained in the Annual Return (as specified in proper practices) as soon as practicable after the end of the financial year and having certified the accounts shall submit them and report thereon to the council within the timescales set by the Accounts and Audit Regulations.

2.4. The Council shall ensure that there is an adequate and effective system of internal audit of its accounting records, and of its system of internal control in accordance with proper practices. Any officer or member of the Council shall make available such documents and records as appear to the Council to be necessary for the purpose of the audit and shall, as directed by the Council, supply the RFO, internal auditor, or external auditor with such information and explanation as the Council considers necessary for that purpose.

- perform any operational duties for the Council;
- initiate or approve accounting transactions; or
- direct the activities of any Council employee, except to the extent that such employees have been appropriately assigned to assist the internal auditor.

2.8. For the avoidance of doubt, in relation to internal audit the terms 'independent' and 'independence' shall have the same meaning as is described in proper practices.

2.9. The RFO shall make arrangements for the exercise of electors' rights in relation to the accounts including the opportunity to inspect the accounts, books, and vouchers and display or publish any notices and statements of account required by Audit Commission Act 1998, or any superseding legislation, and the Accounts and Audit Regulations.

2.10. The RFO shall, without undue delay, bring to the attention of all Councillors any correspondence or report from internal or external auditors.

3. Annual estimates (budget) and forward planning

3.1. Each committee shall formulate and submit proposals for the following financial year to the Council not later than the end of October each year.

3.2. The RFO must each year, by no later than November, prepare detailed estimates of all receipts and payments including the use of reserves and all sources of funding for the following financial year in the form of a budget to be considered by the Council.

3.3. The Council shall consider annual budget proposals, including recommendations for the use of reserves and sources of funding.

3.4. The Council shall fix the precept (council tax requirement), and relevant basic amount of council tax to be levied for the ensuing financial year not later than by the deadline date set by the billing authority each year. The RFO shall issue the precept to the billing authority and shall supply each member with a copy of the approved annual budget.

3.5. The approved annual budget shall form the basis of financial control for the ensuing year.

4. Budgetary control and authority to spend

4.1. Authority to incur expenditure on revenue items, up to the amounts included for that class of expenditure in the approved budget, is to be determined by:

- the Council for all items over £500;
- the Council or a duly delegated committee of the Council for items up to £500; or
- the Clerk, in conjunction with Chair of Council or Chair of the appropriate committee, for any items upto £500.

Such authority is to be evidenced by a minute or, in the case of the 3rd bullet-point, by an authorisation slip duly signed by the Clerk and also by the appropriate Chair.

Contracts may not be disaggregated to avoid controls imposed by these regulations.

4.2. No authority to incur expenditure may exceed the amount provided in the revenue budget for that class of expenditure other than by resolution of the Council, or duly delegated committee. During the budget year and with the approval of Council, having considered fully the implications for public services, unspent and available amounts may be moved to other budget headings or to an earmarked reserve as appropriate ('virement').

4.3. Unspent provisions in the revenue or capital budgets for completed projects shall not be carried forward to a subsequent year.

4.4. The salary budgets are to be reviewed at least annually in October for the following financial year and such review shall be evidenced by a hard copy schedule signed by the Clerk and the Chair of Council.

4.5. In cases of extreme risk to the delivery of Council services, the Clerk may authorise on behalf of the Council the incurring of revenue expenditure which in the Clerk's judgement is necessary. Such expenditure includes repair, replacement or other work, whether or not there is any budgetary provision for the expenditure, subject to a limit of £1,000. The Clerk shall report such action to the Chair as soon as possible and to the Council as soon as practicable thereafter.

4.6. No expenditure shall be authorised in relation to any capital project and no contract entered into or tender accepted involving capital expenditure unless the Council is satisfied that the necessary funds are available and the requisite borrowing approval has been obtained.

4.7. All capital works shall be administered in accordance with the Council's standing orders and financial regulations relating to contracts.

4.8. The RFO shall regularly provide the Council with a statement of receipts and payments to date under each head of the budgets, comparing actual expenditure to the appropriate date against that planned as shown in the budget. These statements are to be prepared at least at the end of each financial quarter and shall show explanations of material variances. For this purpose, "material" shall be in excess of 15% of the budget.

4.9. Changes in earmarked reserves shall be approved by Council as part of the budgetary control process.

5. Banking arrangements and authorisation of payments

5.1. The Council's banking arrangements, including the bank mandate, shall be made by the RFO and approved by the Council; banking arrangements may not be delegated to a committee. They shall be regularly reviewed for safety and efficiency.

5.2. The RFO shall prepare a schedule of payments requiring authorisation, forming part of the Agenda for a Meeting and, together with the relevant invoices, present the schedule to Council. The Council shall review the schedule for compliance and, having satisfied itself, shall authorise payment by a resolution of the Council. A detailed list of all payments shall be shown within, or as an attachment to, the minutes of the meeting at which payment was authorised. Personal payments (including salaries, wages, expenses and any payment made in relation to the termination of a contract of employment) may be summarised to remove public access to any personal information.

5.3. All invoices for payment shall be examined, verified and certified by the RFO to confirm that the work, goods or services to which each invoice relates has been received, carried out, examined and represents expenditure previously approved by the Council.

5.4. The RFO shall examine invoices for arithmetical accuracy and analyse them to the appropriate expenditure heading. The RFO shall take all steps to have all invoices submitted, and which are in order, to the next available Council meeting.

5.5. The RFO shall have delegated authority to authorise the payment of items only in the following circumstances:

- a) If a payment is necessary to avoid a charge to interest under the Late Payment of Commercial Debts (Interest) Act 1998, and the due date for payment is before the next scheduled Meeting of Council, where the RFO certifies that there is no dispute or other reason to delay payment, provided that a list of such payments shall be submitted to the next appropriate meeting of Council;
- b) An expenditure item authorised under 5.6 below (continuing contracts and obligations), provided that a list of such payments shall be submitted to the next appropriate meeting of Council; or
- c) Fund transfers within the Council's banking arrangements, provided that a list of such payments shall be submitted to the next meeting of the Finance Advisory Committee.

5.6. For each financial year the RFO may, if felt appropriate, draw up a list of due payments which arise on a regular basis as the result of a continuing contract, statutory duty, or obligation (such as, but not exclusively, salaries, PAYE and NI, superannuation and regular maintenance contracts) for which Council may, having reviewed the list, authorise payment for the year provided that the requirements of regulation 4.1 (Budgetary Control) are adhered to.

5.7. A record of regular payments made under 5.6 above shall be drawn up and be signed by two members on each and every occasion of payment - thus controlling the risk of duplicated payments being made.

5.8. In respect of grants a duly authorised committee shall approve expenditure within any limits set by Council and in accordance with any policy statement approved by Council. Any Revenue or Capital grant in excess of £500 shall, before payment, be subject to ratification by resolution of the Council.

5.9. Members are subject to the Code of Conduct that has been adopted by the council and shall comply with the Code and Standing Orders when a decision to authorise or instruct payment is made in respect of a matter in which they have a disclosable pecuniary or other interest, unless a dispensation has been granted.

5.10. The Council will aim to rotate the duties of members in these Regulations so that onerous duties are shared out as evenly as possible over time.

Payments by debit- or credit-card (see 6.13) should be avoided except where there is no practical alternative.

6.4. Where internet banking arrangements are made with any bank, the RFO shall be appointed as the Service Administrator. The bank mandate approved by the Council shall identify a number of councillors who will be authorised to approve transactions on those accounts.

6.5. Access to any internet banking accounts will be directly to the access page (which may be saved under "favourites") and not through a search engine or e-mail link. Remembered or saved passwords facilities must not be used on any computer used for Council banking work. Breach of this Regulation will be treated as a very serious matter under these regulations.

6.6. Each electronic payment shall be authorised online (and any cheque or order drawn on the bank account shall be signed) by two members of Council in accordance with the schedule presented to Council and with a resolution instructing that payment. A member so authorising payments, having a connection through family or business relationships with the beneficiary of a payment, should not under normal circumstances authorise the payment in question.

6.7. If payment is by cheque, to indicate agreement of the details shown on the cheque with the counterfoil and the invoice or similar documentation, the signatories shall each also initial the cheque counterfoil.

6.8. If thought appropriate by the Council, payment for utility supplies (e.g. energy, telephone, water) and any Non-Domestic Rates may be made by variable direct debit, provided that the instructions are signed by two members and any payments are reported to Council as made. The approval of the use of a variable direct debit shall be renewed by resolution of the Council at least every two years.

6.9. Password(s) used by officers for access to any Council financial records on computer shall be retained by the Chair of Council in a sealed dated envelope. This envelope may not be opened other than in the presence of two other councillors. After the envelope has been opened, in any circumstances, the passwords shall be changed as soon as practicable. The fact that the sealed envelope has been opened, in whatever circumstances, shall be reported to all members immediately and formally to the next available meeting of the Council. This paragraph will not apply to a personal computer used only for remote authorisation of bank payments.

6.10. No employee or councillor shall disclose any password, relevant to the working of the Council or its bank accounts, to any person not authorised in writing by the Council or a duly delegated committee.

6.11. The Council, and any members using computers for the Council's financial business, shall ensure that anti-virus, anti-spyware and firewall software with automatic updates, together with a high level of security, is used.

6.12. Changes to suppliers' account details used for internet banking may be changed only on written notification by the supplier.

6.13. Any debit- or credit-card issued will be specifically restricted to use by the Clerk and will also be restricted to a single transaction maximum value of £500, unless otherwise authorised

by Council before any order is placed. All debit- and credit-card transactions must be reported to the Finance Advisory Committee at its next meeting. Any credit-card account operated by the Council shall be subject to automatic payment in full each month, without incurring interest.

6.14. The Council will not maintain any form of cash float. All cash received must be banked intact. Any payments made in cash by the Clerk (for example for postage or minor stationery items) shall be refunded via an expenses claim.

7. Payment of salaries

Where any significant sums of cash are regularly received by the Council, the RFO shall take such steps as are agreed by the Council to ensure that more than one person is present when the cash is counted in the first instance, that there is a reconciliation to some form of control such as ticket issues, and that appropriate care is taken in the security and safety of individuals banking such cash.

10. Orders for work, goods and services

10.1. An official order or letter shall be issued for all work, goods and services unless a formal contract is to be prepared or an official order would be inappropriate. Copies of orders shall be retained.
