

Darley Dale business survey: on Town Council letterhead

Dear business person

Darley Dale Neighbourhood Plan

As you may know, a draft Neighbourhood Plan is under preparation to help guide the development of Darley Dale over the coming decade. Darley Dale Neighbourhood Plan Working Group comprises individuals from the community and members of the Town Council and is chaired by the Mayor, John Evans. It is open to all who are interested.

You may already have completed the questionnaire we sent out earlier this year concerning the overall development, housing and facilities of Darley Dale, but we would now be grateful for your specific thoughts and experiences as one of the seventy-plus businesses in Darley Dale. It would be of great help to us in formulating the Plan if you could take a few minutes to complete this short questionnaire. Please use the other side of the pages if you need more space. A reply paid envelope is enclosed.

In the analysis of results we will not identify individual respondents unless you specifically state that we may do so.
